

## Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors
- Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers
- Actively distribute information and promote the benefits of education and career matters

## Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

## Welcome Message

Dear Distinguished Colleagues, Precious Academicians and Our Research Professionals,

As Chair of the **Food Technology-2015** conference organized by OMICS Group, USA, firstly it is my pleasure to welcome one and all to participate in this significant and prestigious event. On behalf of the Organizing Committee, it's an honor to host this event at London, UK during August 10-12, 2015.

OMICS Group Conferences have a great platform for global networking and OMICS Group Food Technology Conference deals with the best quality considerations in food science, nutrition, and health and food technology. I would like to thank all of you who have worked on putting our extraordinary conference together; I would also like to express my appreciation to the OMICS Group for elegant configuration.

Dear renowned speakers concerning food science, food technology, health sciences and nutrition from formidable universities and institutions of USA, Canada, Europe, Africa and Asia; I cordially invite you to our 3 days program of **4<sup>th</sup> International Conference and Exhibition on Food Processing & Technology**. Our main theme will be "Food Technology: Trends and Strategies for Innovation of Sustainable Foods" in current conference.

I hope that it will be sharing your rewarding projections, plans and data with our participants through **Food Technology 2015**.

I hope that the experiences in this event will be engraved in your memory.

Have a great conference time...

## Welcome Message from Prof. M. S. Swaminathan

My Dear Fellows,

Being as the Scientific Advisor, I am honored and delighted to welcome you to **4<sup>th</sup> International Conference and Exhibition on Food Processing & Technology**, during **August 10-12, 2014** at London, UK.

I am extremely happy that Food Technology 2015 is being held at an important time in our desire to achieve zero hunger by 2025. Food technology is the pathway for value addition to primary food products as well as to protect them from post-harvest losses. I am confident that the participants will find Food Technology 2015 a very valuable experience. I wish the Conference great success.

I hope you have a good time and opportunity to connect with expertise from scientific community and influential entrepreneur from industries. Best of luck for your future so that you can collaborate with people and society to make great development in food processing, health and nutrition.

We are looking forward to meet all of you in London and show the world a trend setting conference in Food Technology-2015.

With Best Regards,  
**Prof. M. S. Swaminathan**  
First World Food Prize Laureate (1987)
