Dear colleagues!

It is my great pleasure to inform you that the Faculty of Tourism and Hospitality Management in Opatija, University of Rijeka, begun the organization of the **First International Hospitality and Tourism Students' Conference (IHTSC 2016)**. The conference is intended to create meeting place for hospitality and tourism students (authors of papers) from around the world. IHTSC is scheduled to take place on **21st – 23rd April 2016** in the **hotel "Excelsior" Lovran**.

The main objective of the Conference is to encourage hospitality and tourism students to conduct scientific research, as well as to motivate their teachers to supervise their research. Furthermore, one of the main goals of the conference is to promote multiculturalism and international cooperation, as well as the exchange of experiences between hospitality and tourism students.

You will receive the **first call for papers** containing further information (conference schedule, notes for authors, etc.) in **July 2015**.

We hope that we can count on your support for this conference. Also, we would kindly ask you to inform your students about this conference as soon as possible, so that they can start to write their papers at the beginning of the upcoming academic year.

Thank you in advance for your understanding and cooperation.

Yours sincerely,

Dean
