

Internships and Language Course in Germany

The project Episteme offers grants for Greek students to come to Germany and do internships here. The stay of up to six months includes three months of German language course and three months of practice/internship in a German company. The combination of language course and work experience will give the participants an advantage for future job opportunities.

The City of Regensburg is touching everyone's taste. From nightlife to the beautiful landscape and from shopping to sport facilities – you can find here everything you are looking for.

Don't hesitate to apply for a place in the program immediately. This will be a lifelong experience for you.

Details of the program:

- 3 month language course and 3 month internship in a German company according to your subject of study
- Job Application Training and Support finding an internship position
- monthly income of 650 € as a scholarship for 6 months
- one time flight flatrate at total 225 €
- The application is open for all university subjects. Latest start of the internship is the 1 of July 2016
- Participants must be at least 18 years old and have to be matriculated to a Greek University during their stay in Germany.
