## EinB2014 - 3<sup>rd</sup> International Conference “ENERGY in BUILDINGS 2014”

---

November 15, 2014

Technical papers are being sought for the annual International Conference “**ENERGY in BUILDINGS**” to be held in Athens, Hellas on November 15, 2014.

The Conference is organised by the ASHRAE Hellenic Chapter in collaboration with the Technical Chamber of Greece (TEE).

### AN INTERNATIONAL EVENT

“ENERGY in BUILDINGS” is an annual International Conference that will take place for the third consecutive year. It brings together professionals of all disciplines associated with the built environment including Engineers, Architects, Professors, Researchers, Building Owners, Property Managers and Investors. Information and videos from the previous conferences are posted on the Hellenic Chapter’s website ([www.ashrae.gr](http://www.ashrae.gr)). The official language of the Conference is English.

The Conference will have a call for presenters as well as invited speakers. In addition there will be a poster session.

### CALL FOR PAPERS

All interested authors are invited to submit papers for consideration to present at the International Conference “**ENERGY in BUILDINGS**” in English. Submissions should be original technical papers, not previously published or currently under consideration for publication.

All submissions will follow a two step review process. Initially authors should **submit an abstract** of no more than 350 words by **May 12<sup>th</sup>, 2014**, using the attached template. Abstracts will undergo peer-review by the Conference Scientific Committee. The Committee will include Professor Dr. William P. Bahnfleth; Pennsylvania State University, ASHRAE President; Dr. Constantinos A. Balaras, Research Director GREC, NOA; Professor Dr. Branislav Todorovic, Belgrade University; Professor Dr. Essam Khalil, Cairo University; Professor Dr. Mahmoud A. Fouad, Cairo University; Professor Dr. Walid Chakroun, Kuwait University; Professor Dr. Emmanuel G. Koukios, National Technical University of Athens; Assoc. Professor Dr. Dimitrios Aravantinos, Aristotle University of Thessaloniki; Assoc. Professor Dr. Theocharis Tsoutsos, Technical University of Crete; Assistant Professor Dr. Argiro Dimoudi, Democritus University of Thrace. Authors will be **notified** about review results by **May 26<sup>th</sup>, 2014**.

If accepted, full **papers are due** by **July 7<sup>th</sup>, 2014**. A typical manuscript is limited to 10 pages. Full papers will undergo a review by the Conference Scientific Committee. Authors must register and present their paper during the Conference in person, one mandatory author registration per paper, in order to be included in the Conference Electronic Proceedings.

Papers may be considered either for oral or poster presentation.

Submittal information and templates for submitting the abstracts and full papers can be found at [www.ashrae.gr/einb2014.php](http://www.ashrae.gr/einb2014.php).

Authors of accepted papers are responsible for their travel and Hotel accommodation.

## **THE CONFERENCE TOPICS:**

The Conference presents the latest technology in building design, construction, commissioning, operation & maintenance as well as emerging new technologies & materials.

The conference topics include, but are not limited to:

- High Performance Building Design & Operation
- Near Zero Energy Buildings
- Green Building Performance
- New Trends in HVAC & Architectural Design
- Refurbishment for Improved Energy Performance
- Simulations & Practical Tools
- Energy, Materials & Technology Management
- Energy Security
- Daylighting & Artificial Lighting
- Indoor Air Quality
- Solar Utilisation & Integration
- Life Long Learning

**IMPORTANT DATES:**

- **May 12<sup>th</sup>, 2014:** Abstract Submission Deadline (Submit your abstract by email to [EinB2014@ashrae.gr](mailto:EinB2014@ashrae.gr))
- **May 26<sup>th</sup>, 2014:** Abstract Evaluation Deadline
- **July 7<sup>th</sup>, 2014:** Paper Submission Deadline
- **August 4<sup>th</sup>, 2014:** Paper Evaluation Deadline & Letter of Acceptance
- **September 29<sup>th</sup>, 2014:** Registration deadline for Authors - Final Program
- **November 15<sup>th</sup>, 2014:** International Conference

**PUBLICATION:**

Approved papers will be published in an electronic media publication (e-proceedings book with an ISBN number). Oral presentations will be videotaped and uploaded for free viewing on our website. Selected papers will be considered for publication in a special issue of the International Journal "Energy and Buildings".

**VENUE:**

The International Conference will be held in Athens, Hellas. Come join us not only for the event and for the tours planned in Athens and in other places as well. History in Hellas starts well before 2.000 BC and there are archaeological places in abundance. Cape Sounio, Delphi, Mycenae, Olympia, Meteora & Santorini just to name a few (more at <http://odysseus.culture.gr/h/3/eh30.jsp>)

In Athens you can visit the Acropolis and its modern museum, the National Archaeological Museum, the Museum of Byzantine Culture and the Cycladic Art Museum.

Taste the exquisite Hellenic cuisine, especially the sea food with an ouzo by the seaside, or a late "very Hellenic" dinner.

On behalf of the Organising Committee
